

Dear Friends of Edgemoor Community Center,

**This week Edgemoor Community Center reached an important milestone.**

Through the dedication and commitment to our community center and our community, State Senator Harris McDowell, **State Representative Tom Kovach**, and New Castle County Councilman John Cartier have supported Edgemoor Community Center's effort to obtain title, and thus ownership of the property it now occupies. Because of their effort, along with the support of the ECC Board of Directors, staff, and countless community members, ECC's ability to continue to meet the needs of the community will continue well into the future. In the coming weeks ECC will finalize all the details necessary for the title transfer from the Brandywine School District and embark upon a capital improvement project to better meet the needs of our community. With this great news in hand, please have a safe and enjoyable holiday weekend!
